EXPORTING CONTENT

1. Click **Settings** in the course navigation menu.
2. Click **Export Course Content** in the menu on the right-hand side of the webpage.

The screenshot shows the 'Course Details' page with a navigation menu at the top containing 'Course Details', 'Sections', 'Navigation', 'Apps', and 'Feature Options'. The 'Course Details' section includes an 'Image' field with a 'Choose Image' button, a 'Name' field with 'Test Course', and a 'Course Code' field with 'Test Course'. On the right side, there is a list of actions: 'Share to Commons', 'Course Statistics', 'Course Calendar', 'Delete this Course', 'Copy this Course', 'Import Course Content', 'Export Course Content' (circled in red), and 'Validate Links in Content'. A green checkmark indicates 'Course is Published'.

3. Select **Quiz**. In the list that appears, select the quizzes that you would like to export.
